functional, choose ATEPAA!

LUOVA COLLECTION

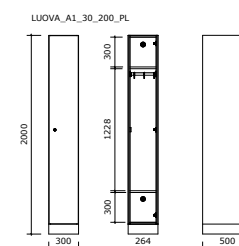

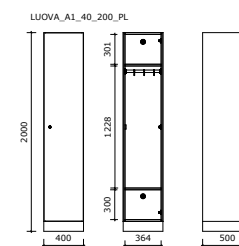

## THE LUOVA LINE OF LOCKERS IS MADE OF THE TOP QUALITY LAMINATE BOARDS AVAILABLE ON THE MARKET.

Lockers can be designed with a wide range of colours or wood-like decors. Each module features a vent system, durable certified hinges (standard 110 degrees), storage system (A-type lockers - a rod with hooks and a shelf, other lockers - hooks), adjustable feet and plinths.

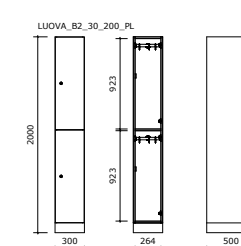

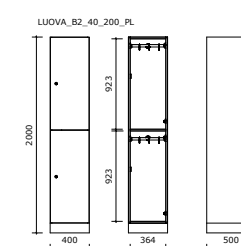

Lockers can be equipped with mechanical locks (key, padlock, code) or electronic digital locks (digital combination lock or RFID keyless smart lock).

A large selection of Luova lockers for quick and easy installation (lockers are ready to use / assembled) makes them functional and a perfect fit for any interior.

# LOCKS.

## MECHANICAL

### COMBINATION LOCK

Re-programmable: easy-to-use combination lock, black.

### COIN/TOKEN LOCK

Cost-effective lock with durable plastic case, available with coin denomination. Master key for emergency override.

### RAL HASP & STAPLE

All-purpose lock allowing easy use of padlock, made of metal, powder-painted in RAL colours.

## KEYLESS

Standard finish: nickel-plated, black, white; other colours available to order. Master key for emergency override.

## DIGITAL

### VERSA

Easy-to-use battery operated digital combination lock available in black or nickel-plated version, can be used vertically and horizontally. Two (2) year warranty, 2 x CR2450 batteries lasting up to ca. 180 000 operations. Emergency access using master (service) key.

### VERSA RFID

Elegant battery-operated keyless digital combination lock available in black or nickel-plated version. Operated by a card, wristband or chip (extra charge). RFID standard: iClass and MiFare (13.56 MHz). Two (2) year warranty, 4 x premium AA batteries lasting up to ca. 115 000 operations.

### AXIS

Battery-operated digital combination lock, resistant to dust and moisture, available in black or nickel-plated version, in 8 finishes. Two (2) year warranty, 4 x premium AA batteries lasting up to ca. 3-5 years.

### AXIS RFID

Keyless digital combination lock, resistant to dust and moisture, available in black or nickel-plated version, in 8 finishes. Operated by a card, wristband or chip (extra charge). RFID standard: iClass and MiFare (13.56 MHz). Two (2) year warranty, 4 x premium AA batteries lasting up to 3-5 years.

### METRA

A typical smart locker solution is a centrally managed network of locks with various user interfaces for secure opening and closing of lockers. Smart locker systems can be divided by various operating modes.

### KEYA

COVERK lock is designed for space management, bringing technology, design and elegance together. Technology: MiFare Classic® 1K 4K 13.56.

### OJMAR

Battery-operated proximity access control lock, temperature range: -20°C/ 70°C. LED lighting: orange, red, green. Operated by card, wristband or chip (extra charge). Technology: MiFare Classic/Ultralight/DESFire/NFC. 4 x premium batteries AA, lasting up to 30000 operations. Compatible with Technogym, Milion, Egym, Preva.

### GAT ECO.LOCK 7XXX

Battery-operated contactless electronic lock. The multi-colour LED light indicating current lock status - green / free and red / closed. Operated by card, wristband or chip (extra charge). RFID standard: iClass and MiFare (13.56 MHz). Two (2) year warranty, 3 x premium AA batteries, average battery life: 10 years.

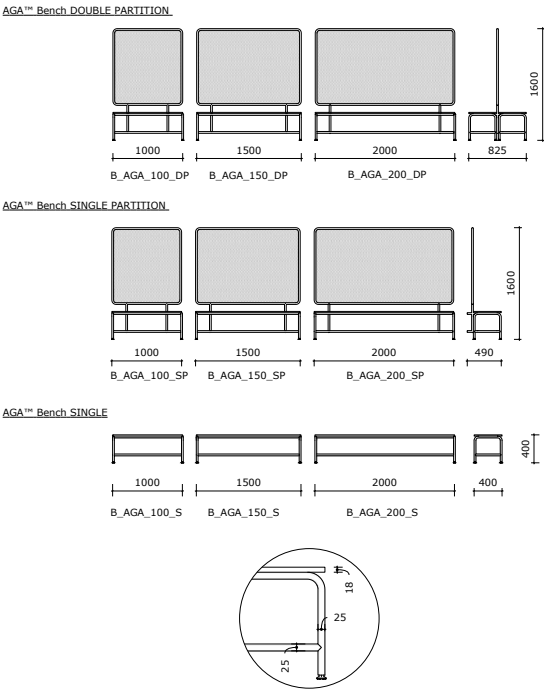

# BENCHES & SEATS.

NECESSARY  
COMPLEMENT  
TO THE LOCKER ROOM  
INCREASING THE  
COMFORT OF USE.  
WHETHER CLASSIC,  
MODERN OR EXCLUSIVE  
THEY WILL CONTRIBUTE  
TO AWESOME LOOK OF  
ANY LOCKER ROOM.

BENCH

## AGA™ BENCH

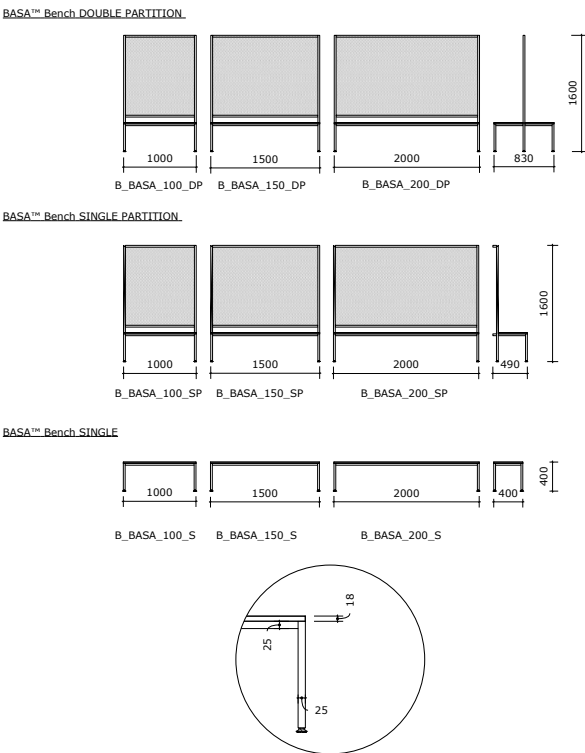

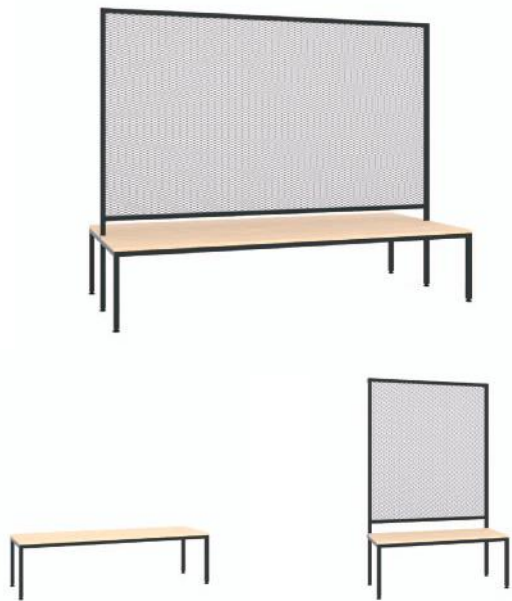

Modern and stylish industrial benches for locker rooms. The frame is made of steel pipes powder-coated in any RAL colour. Seat is made of top quality laminate board. Selected models available with expanded metal mesh partition.

BENCH

## BASA™ BENCH

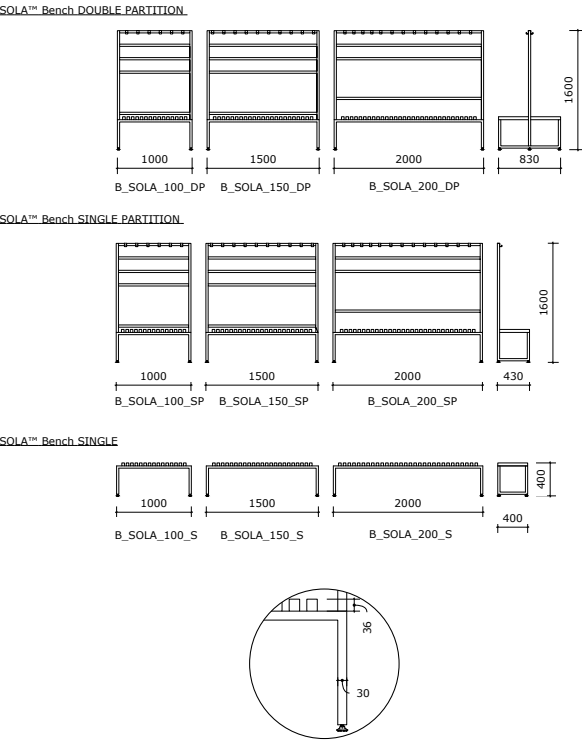

Simple and minimalistic benches that fit almost any locker room. The frame is made of metal profiles 25 x 25 mm, powder painted in RAL colours. Seat made of top quality laminate board. Selected models available with an additional expanded metal mesh partition.

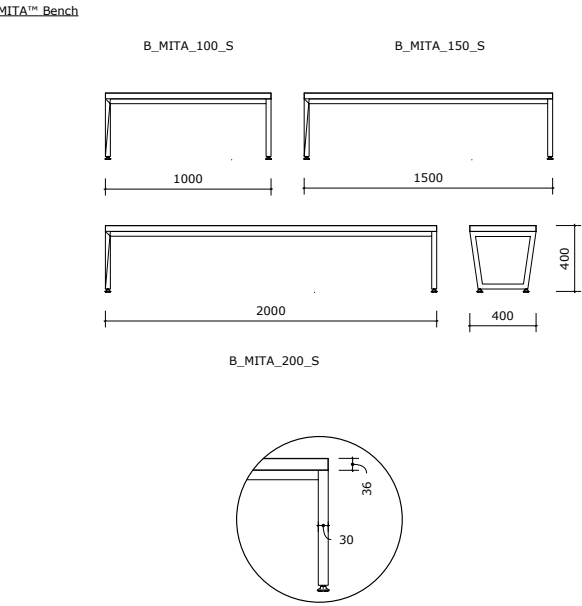

# SOLA™ BENCH

SOLA™ line benches are a great combination of durability and functionality. Elegant and simple form, frame made of steel powder-coated in a RAL colour and the seat covered with birch plywood battens in several colour options. Selected models are available with a metal partition with hangers.

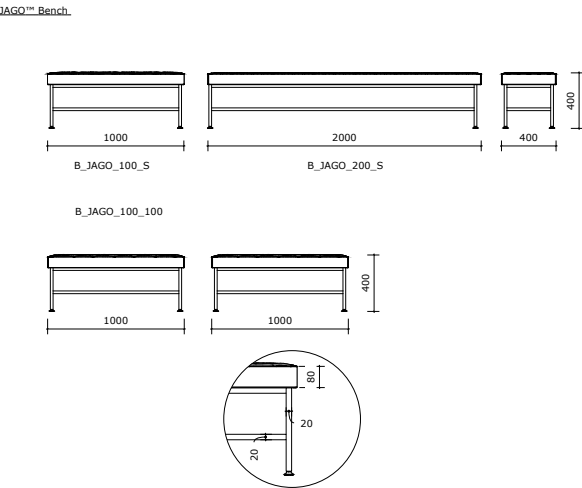

# MITA™ BENCH

A classic bench with a powder-coated steel frame and a 36mm laminated board seat.

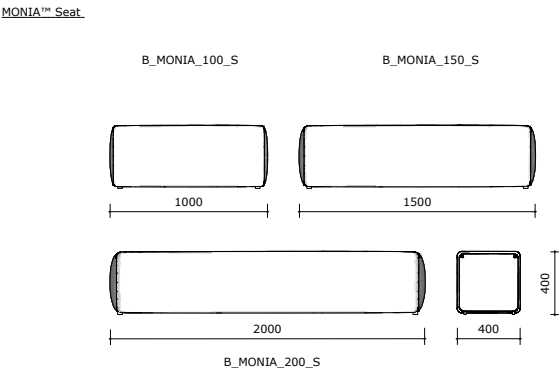

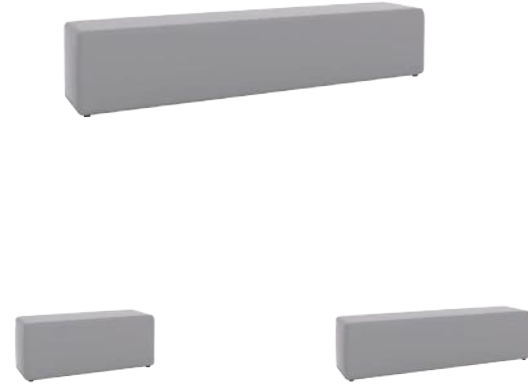

# JAGO™ BENCH

Elegant and sophisticated look of JAGO™ will attract even the most demanding customers. Simple form and steel structure perfectly match modern and elegant interiors. This bench has a sophisticated frame made of steel powder-coated in a RAL colour and a comfortable seat made of quilted eco leather.

# MONIA™ SEAT

MONIA™ line seats are distinguished by simple and minimalistic design that will perfectly fit any interior. MONIA™ stands for the top-quality organic leather, comfort and convenience. Modular design allows virtually any configuration.

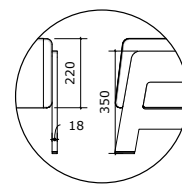

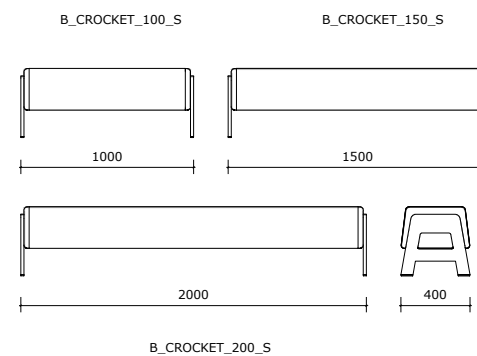

## CROCKET™ SEAT

CROCKET™ line stands for bold retro design. Top quality materials and workmanship. The entire seat is made of eco leather which fits perfectly into stylish and boutique interiors. The structure is made of solid birch plywood in several colour options.

CROCKET™ Seat

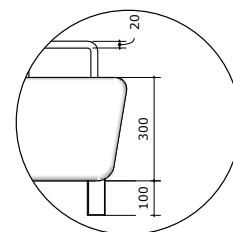

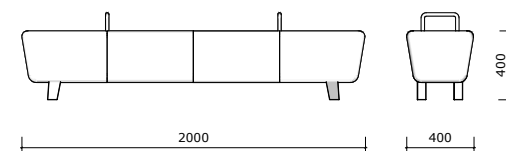

## KONIC™ SEAT

KONIC™ line inspired by sports and artistic gymnastics will satisfy even the most demanding customers. The benches are made of the highest quality organic leather and feature original details such as metal handles.

KONIC™ Seat

# VANITY UNITS & SINKS.

A CUSTOMISED MIRROR  
AND A STORAGE PLACE FOR  
HAIR TOOLS (HAIR DRYERS  
OR HAIR STRAIGHTENERS) - ALL  
MADE WITH DECORS MATCHING  
OTHER ELEMENTS OF THE  
ROOM.

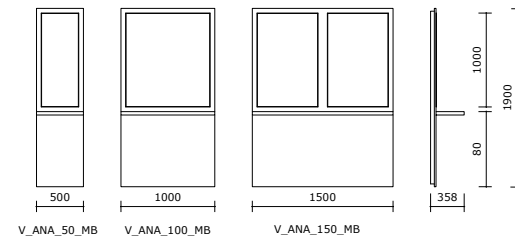

## ANA™ VANITY

Symmetrical, elegant and functional vanity units from ANA™ series made of laminated board with glued mirror, will perfectly complement any locker room.

TUBE HOLDER  
FOR HAIR DRYER  
OR STRAIGHTENER

ANA™ Vanity MASKING BLEND

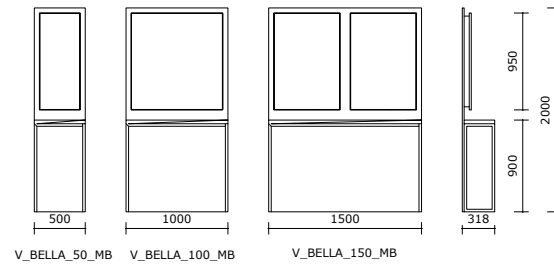

## BELLA™ VANITY

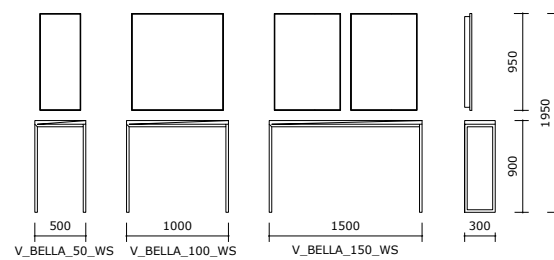

BELLA vanity units combine elegance, simplicity and comfort. A mirror and a laminate board shelf placed on powder-painted metal profiles (RAL chart) will work in any interior.

BELLA™ Vanity MASKING BLEND

BELLA™ Vanity WALL SET

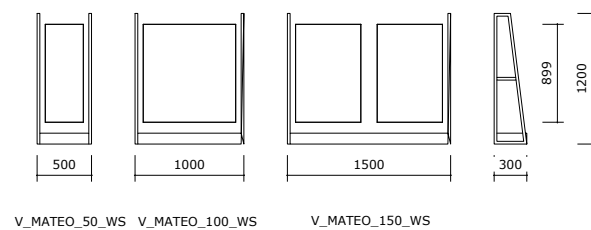

## MATEO™ VANITY

Industrial vanity units from MATEO™ series will respond to the expectations of the most demanding customers. A mirror and a laminate board shelf placed on suspended longitudinal powder-coated metal profiles (RAL chart).

TUBE HOLDER

# RECEPTION.

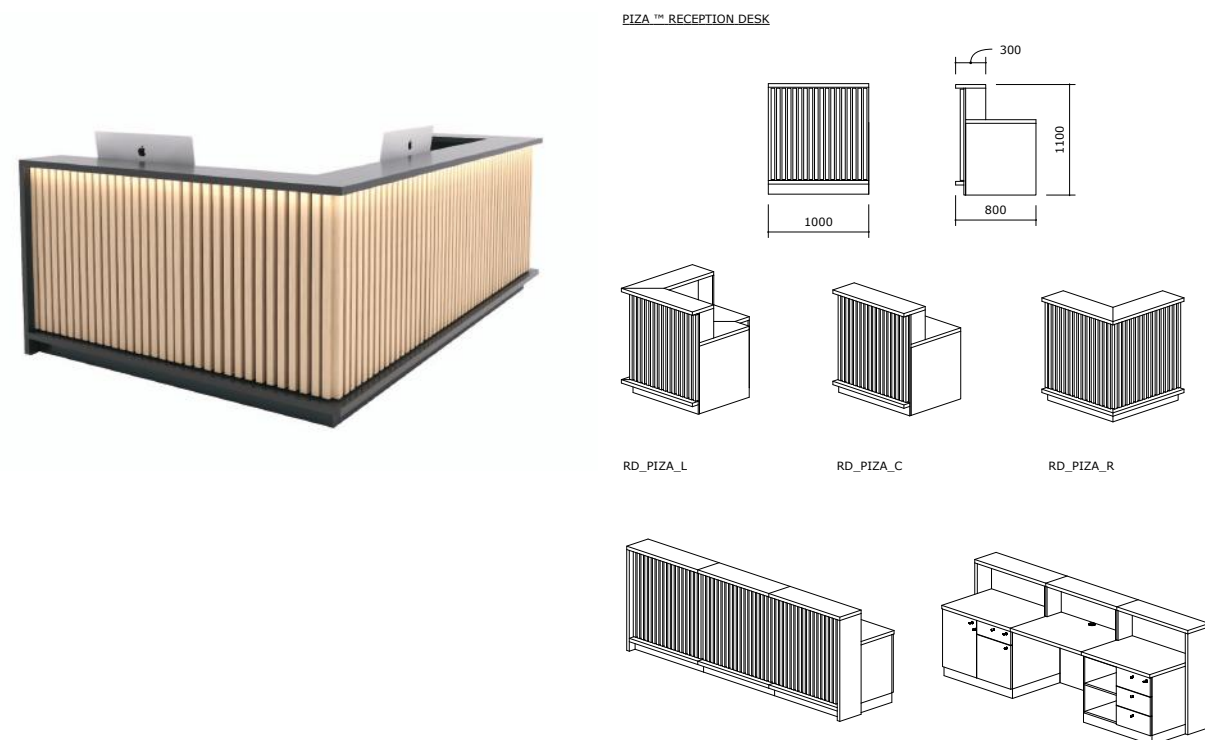

## MODENA™ RECEPTION DESK

Simple design but an eye-catching combination of high-quality laminated board and powder-coated expanded metal mesh. Smart structure allows any configuration depending on the available space.

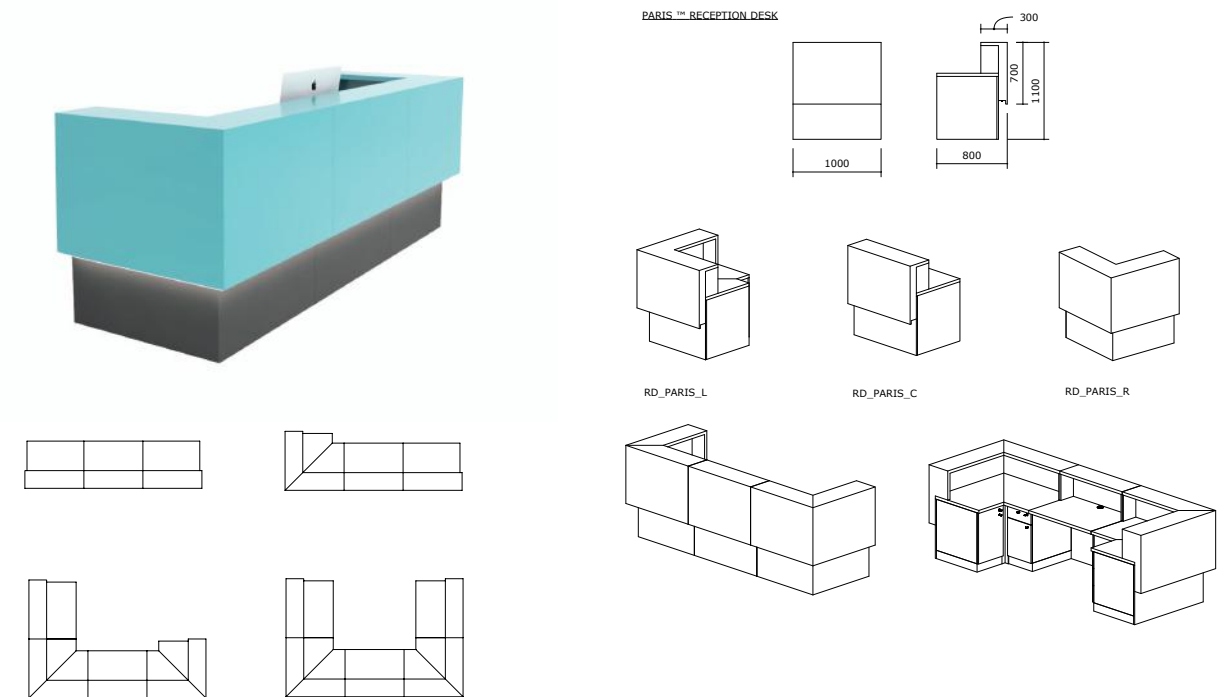

## PIZA™ RECEPTION DESK

Grooved panels made of laminate board or veneered plywood create a three-dimensional design that brings energy and dynamic look to the interior.

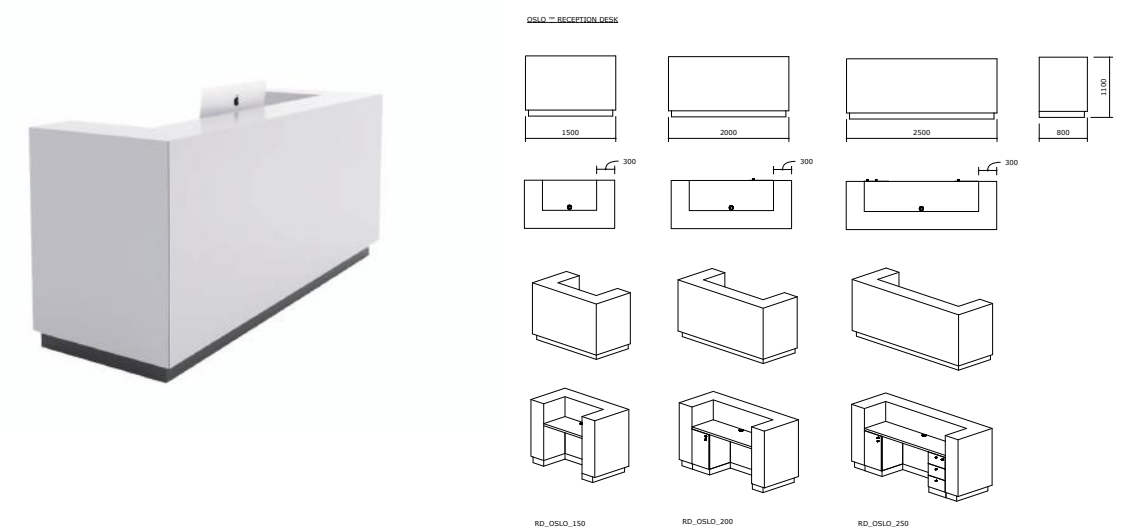

## PARIS™ RECEPTION DESK

Two blocks with different shades of colour to increase the contrast. It will attract those who appreciate original and adventurous solutions.

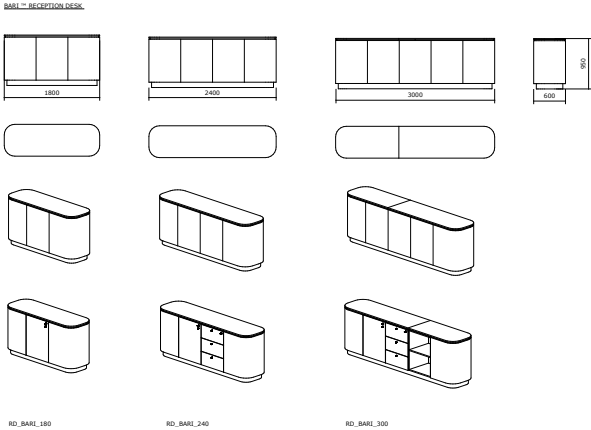

## OSLO™ RECEPTION DESK

Reception desk made of corrugated panels (laminated board or veneered plywood). For those who follow simplicity and harmony in design.

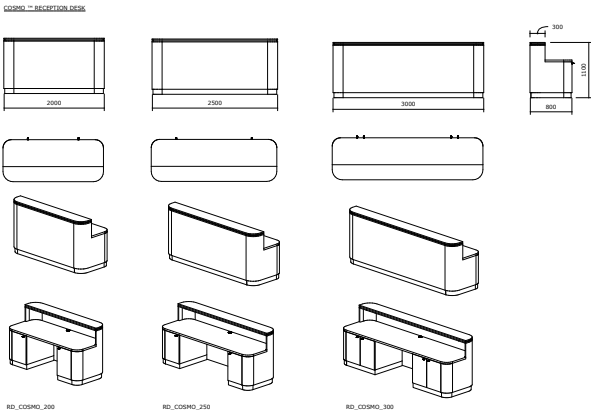

# BARI™ RECEPTION DESK

Oval reception desk module for brave and unconventional interiors. Rounded shape and various colour options will help you create a unique front desk.

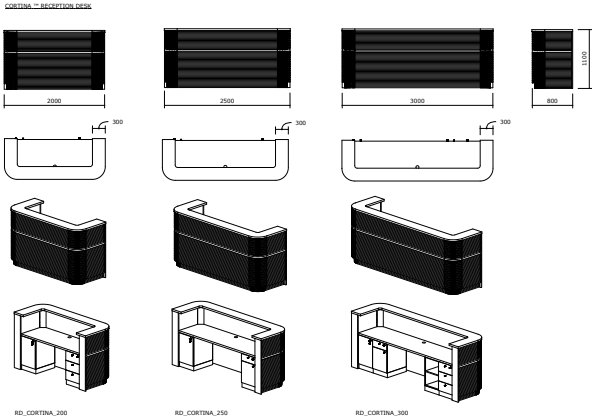

# COSMO™ RECEPTION DESK

Avant-garde oval structure made of high quality laminate with furniture board counter and LED lighting. Energy and modernity in one.

# CORTINA™ RECEPTION DESK

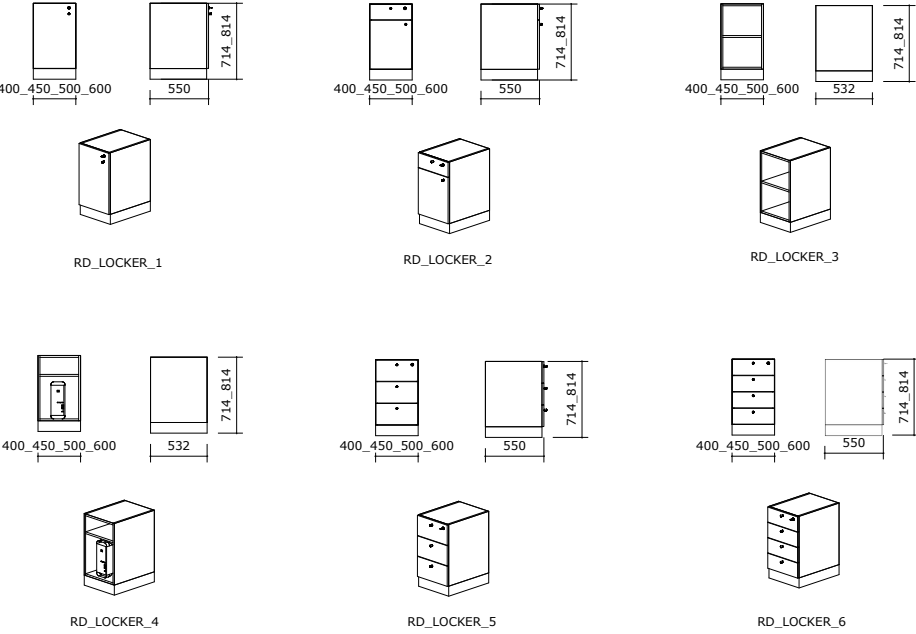

Half-round form, horizontal decorative strips made of laminated board, LED lighting, three dimensions of the counter to choose from. A non-stereotypical concept for demanding projects.

# RECEPTION CABINETS

An indispensable part of each reception desk. Made of high quality laminate board, available in colours and decors matching the main counter. Depending on the purpose and needs of the facility, we offer closed cabinets, cabinets with drawers and open shelves.

## RECEPTION DESK LOCKERS.

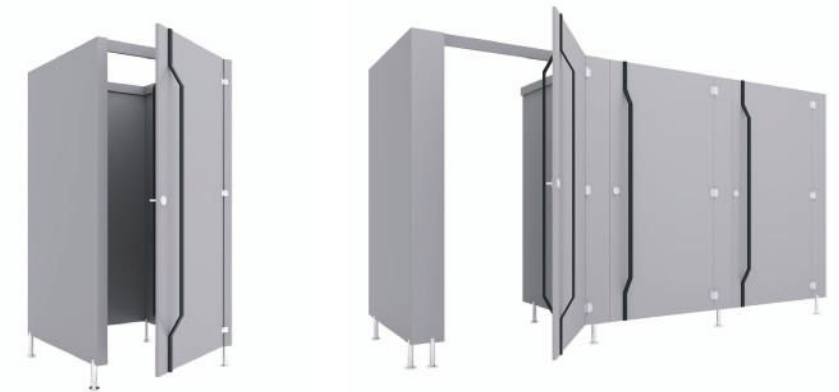

# CHANGING ROOMS AND SANITARY CABINS.

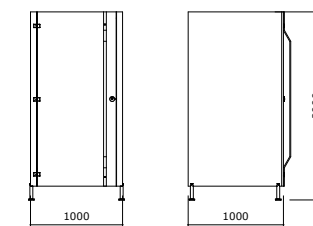

IF THERE IS ENOUGH SPACE IN THE  
LOCKER ROOM IT IS WORTH EQUIPPING  
IT WITH CHANGING ROOMS. IF MADE  
IN COLOURS AND DECORS HARMONIZING  
WITH THE REST OF THE EQUIPMENT  
IT WILL EASILY INCREASE THE  
COMFORT OF THE CLUB USERS.

## CHANGING ROOMS AND SANITARY CABINS

Sanitary cabins and changing room systems which, according to your preferences, can be made of HPL boards, light laminate boards or CDF, will fit perfectly into any interior design.

# PARTITIONS.

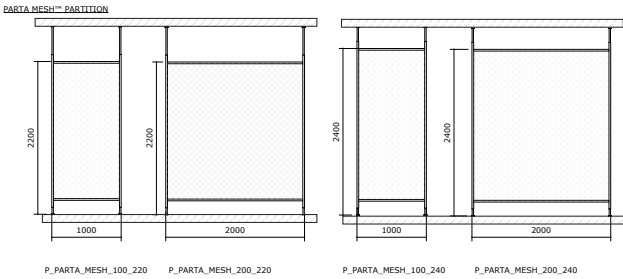

THEY MARK OUT FUNCTIONAL ZONES WITHIN THE ROOM AND COMPLEMENT THE ENTIRE DESIGN. CHOOSE THE STYLE AND COLOUR OF STEEL ELEMENTS TO HAVE YOUR PARTITIONS MADE.

PARTITIONS

## PARTA WOOD™ PARTITION

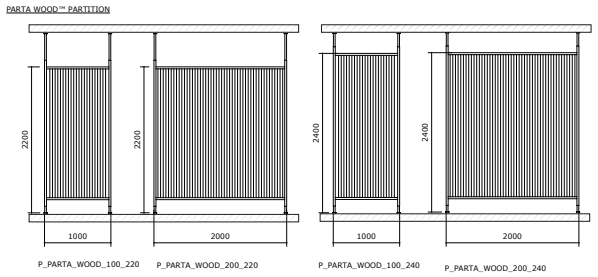

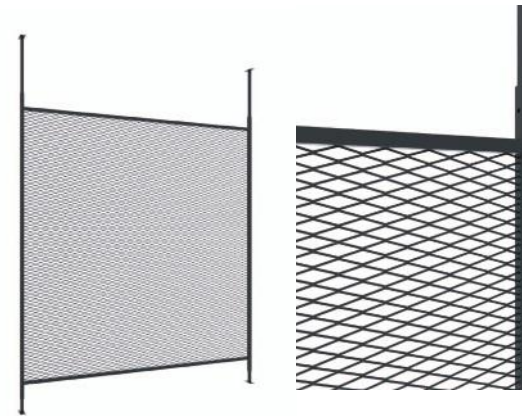

The style matches the reception desk with wooden panels - functional and decorative. Made of powder-coated steel and veneered plywood.

PARTITIONS

## PARTA MESH™ PARTITION

Made of steel and expanded metal mesh, powder painted in RAL colours. It will help to divide the space into functional zones while becoming an additional decorative element.

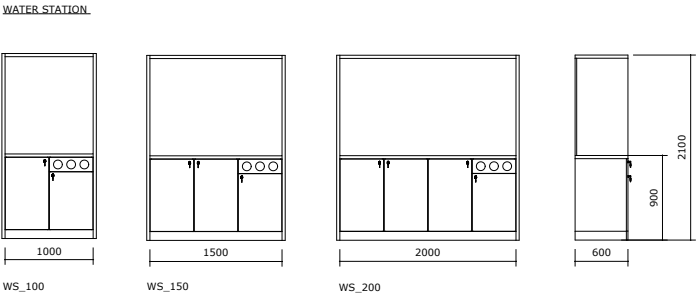

# CLEANING STATION.

COMPLEMENTING THE EQUIPMENT OF ANY CLUB, BETTER ORGANISATION AND FACILITIES THAT YOUR CUSTOMERS WILL APPRECIATE.

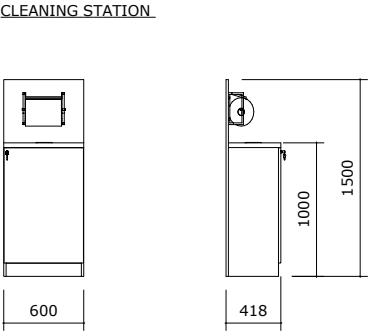

## WATER STATION

A perfect complement to your club's equipment. A set of cabinets made of high quality laminate board that will accommodate a coffee maker, shake maker, water dispenser and disposable cups. Capacious cabinets where you can store supplies and a design that can be customized to match other furniture in the club.

## CLEANING STATION

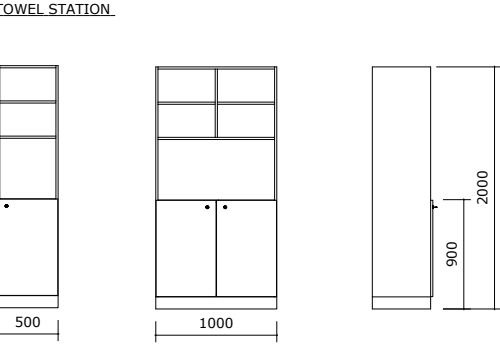

The station is an ergonomic all-in-one organiser and hand sanitizer. This elegantly designed free-standing system fits and enhances any design. The cleaning station is ideal for fitness clubs and recreation centres.

CL\_60

## TOWEL STATION

This unit is a must for a well-functioning club. This unit's slim design integrates seamlessly with any change room, keeping it tidy and increasing comfort of users.

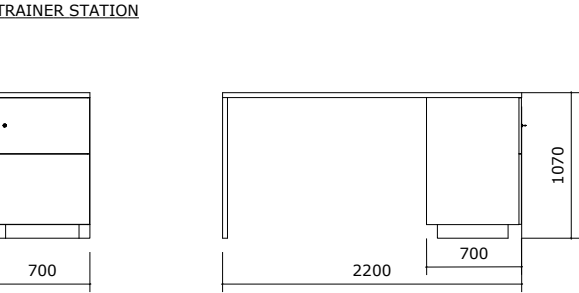

TOS\_50

TOS\_100

## TRAINER STATION

It is a place where trainers can store their exercise kits and have consultations with clients. Matching the other equipment (furniture) in the club while adapted to the user needs.

TRS\_70

# TABLES.

SMALL AND LARGE.

MIURA

## MIURA HF™ MODEL

Modern metal design - simple but eye-catching. Powder coated steel and top quality laminate board.

# LIGHTING.

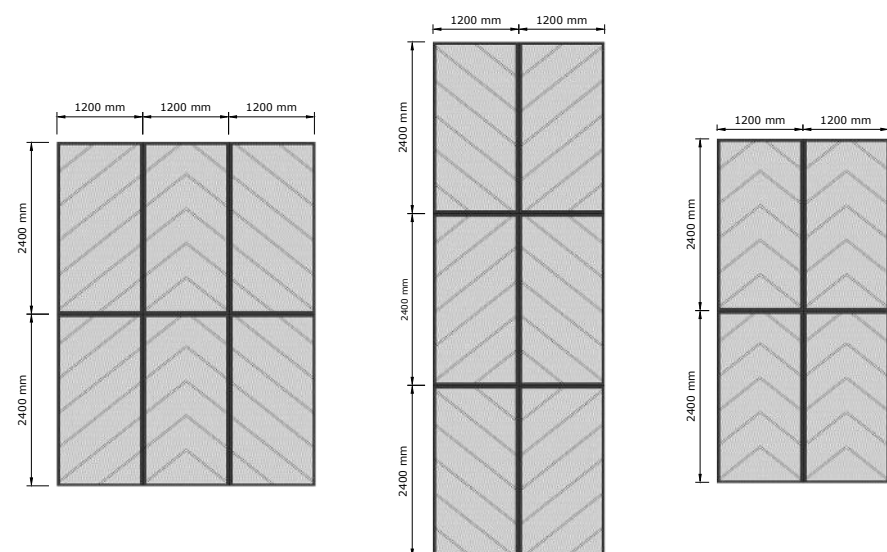

**WELCOME TO THE WORLD OF  
LIGHT OF ATEPAA - INNOVATIVE  
DECORATIVE LIGHTING SYSTEMS  
DESIGNED ESPECIALLY FOR FITNESS  
CLUBS.**

The combination of various techniques  
allows better distribution of light and the  
unique lighting design can become  
a showpiece for any fitness centre.

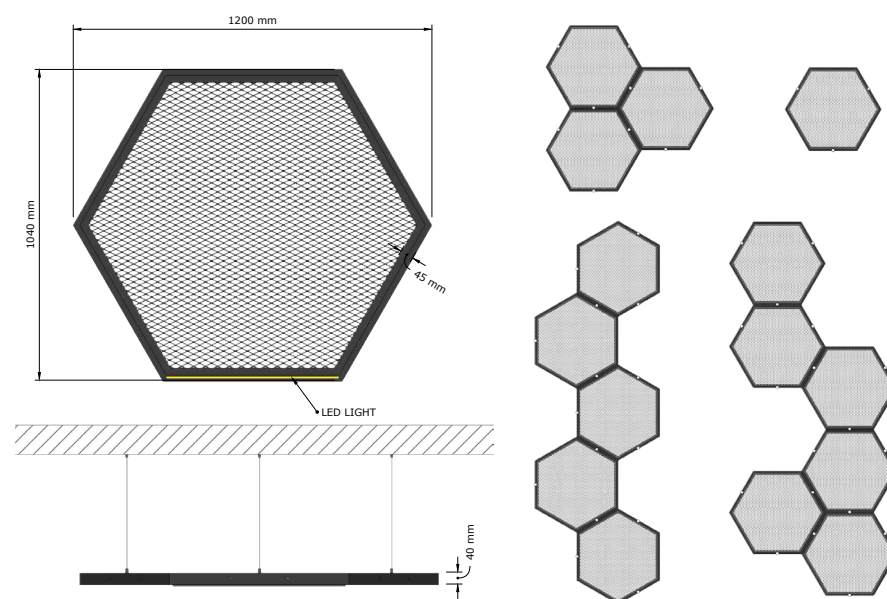

## JUPITER SYSTEM

Designed in three coherent systems that enable unique ceiling lighting scenarios. Made of mesh, steel frame and high quality LED lighting mounted on six chains for better security.

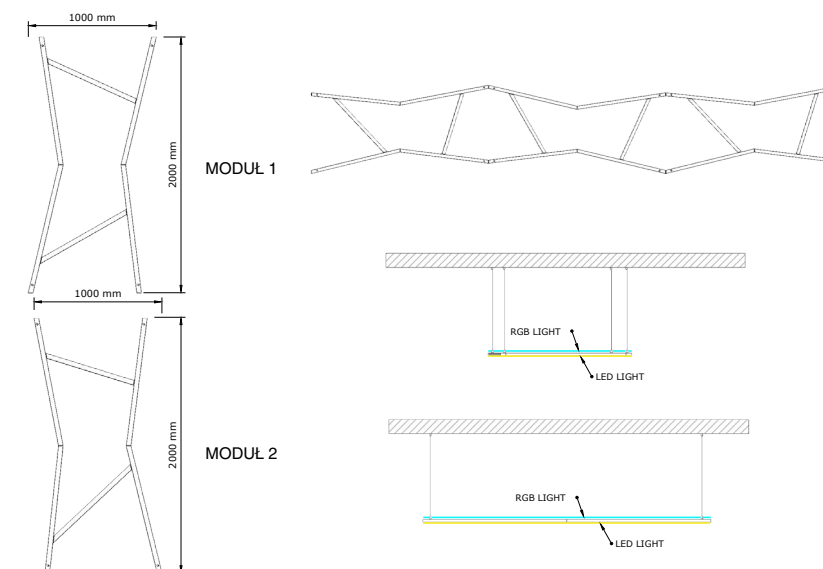

## SATURN SYSTEM

This hexagonal system easily adapts to any ceiling providing unparalleled visual sensations.

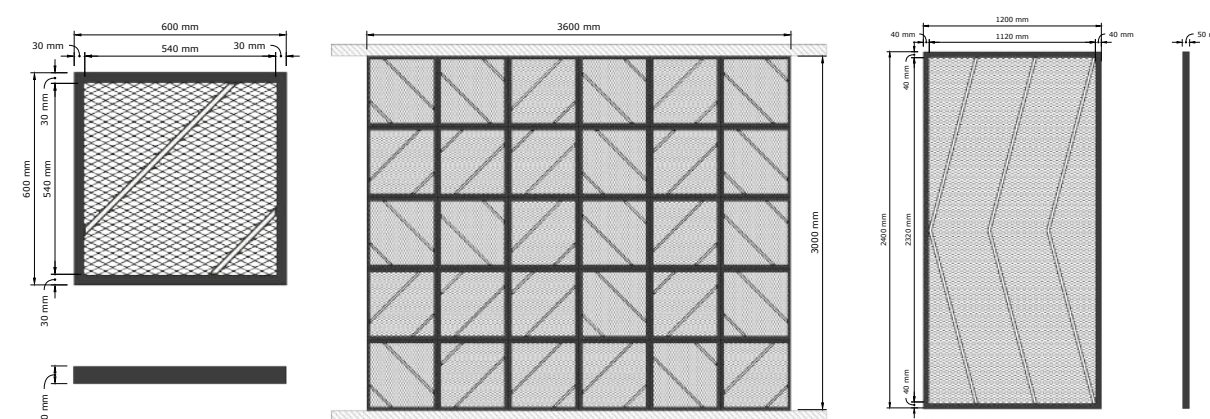

## MARS SYSTEM

A combination of steel profiles, wires and two types of light (LED and RGB LED) provides endless possibilities to create a unique mood in the room.

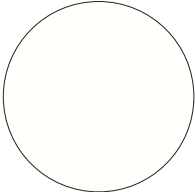

## MERCURY SYSTEM

Small square or large rectangular wall panels that can be easily combined to create new designs will certainly boost intensity of exercises (intense bright colours) or bring a calm subdued atmosphere (dark subdued colours).
